

Our Lady of Lourdes Music Ministry

At Our Lady of Lourdes, we're passionate about music as worship! In worship, music is an integral part of the liturgical experience. It lifts the senses and invites us to actively participate in the praise and worship of God, not only through singing, but also through listening.

Sacred music has the capacity to express both joy and lamentation; it asks for mercy and forgiveness and offers thanks and praise to the Creator. When we assemble as a community music does not merely support liturgy, music IS our prayer.

"The LORD is my strength and my song, and he has become my salvation."
